### Incentives:

Residents have the opportunity to earn daily, weekly and monthly incentives. Check the posted incentive calendar for the scheduled events.

### Behavior Reports:

Residents can receive behavior reports for infractions in category 1, 2, or 3. All Category 2 and Category 3 offenses will result in Dry Dock status.

### Dry Dock:

1. Participate in all scheduled groups/activities; however, not able to participate in the Daily Earned Activity.
2. Bedtime is 7:30 pm. Resident is to eat meals on the unit. During school days, the resident is to have "Quiet Lunch," in the designated area.
3. If resident does not exceed the number of Behavior Reports for that day, they may still earn the day which goes toward earning the entire week.

### Level Increases:

Residents may apply for level increase by completing a level request form. Once signatures are collected, the resident gives the form to their therapist in the treatment team meeting. The treatment team will be responsible for approving or disapproving the request.
